WE CAN

Wings of Inspiration

Dr. A.P.J. Abdul Kalam
The Missile Man

- God, our Creator, has stored within our minds personality, great potential strength and ability. Prayer helps us to tap and develop these powers.
- Climbing to the top demands strength, whether it is to the top of Mount Everest or to the top of your career.
- Great dreams of great dreamers are always transcended.
- Be more dedicated to making solid achievements than in running after swift but synthetic happiness.
- Man needs his difficulties because they are necessary to enjoy successes.
- There are forces in life working for you and against you. One must distinguish the beneficial forces from malevolent ones and choose correctly between them.
- Those who cannot work with their hearts achieve but allow halfhearted success that breeds all around.
- We should not give up and we should not allow problems to defeat us.
- Life is a difficult game. You can win it only by retaining your birth right to be a person.
- As child of God, you are greater than anything that can happen to you.

The Future of India lies in the hands of younger generation. We inculcate discipline, determination and dedication in the future teachers who hold the key for a Bright India.

Vision : To contribute to the development and wealth of the country by converting young generation into Teacher Education value based, socially conscious, trustworthy and proactive Teachers and faculty.

Mission : To provide the environment of international stature to enable the student, teacher and faculty to face challenges in Education Sector of the emerging global scenario.

Facilities : The college has necessary buildings, enough furniture and sufficient books in the library. The furnished reading room with open access to books is under the control of the students. The Science laboratory has teaching learning materials for class teaching and the Special Education Laboratory is provided with variety of teaching materials.

Library : The library of DR.RKS College of education is well furnished, spacious and contains more than 500 volumes covering all core and optional subjects in education. More than 15 national journals and 5 leading newspapers on education are subscribed.

Hostel : The institute has separate boys and girls hostel. Provision is made for vegetarian and non vegetarian food. The rooms are spacious comfortable and hygienic with natural air and light. Thus the hostel has an environment of home away from home.

Cafeteria : The college has a good cafe which supplies delicious food, hot and cold drinks and snacks. The area is beautifully designed with proper seating arrangement and has become a proper palace for relaxation and discussion.

Sports : The institute provides various sports facilities to the students and gives them a chance to choose from a wide range of sports like Football, TT, Basketball, Volleyball, Cricket, Badminton, Chess and Carom.

Medical Facilities : The institute has in campus First-Aid facilities to take care of the immediate health needs of the students. The Institute has also a physician on its rolls to visit the campus as and when required for psychological & intellectual growth. The Institute encourages student to form gym habit.
