### OUR COLLEGE CREST & MOTTO AND THEIR SIGNIFICANCE

Our College crest is sacred combination of the Sun God, the ascending Garuda, the Book of Wisdom and Blossoming Lotus flower. The Sun denotes acute knowledge and wisdom, totally dispelling the utter darkness of ignorance. The Sun God is worshipped from time immemorial. The ascending Garuda symbolises the high ideals that the student community should imbibe with perseverance and great zeal. It is also a staunch belief that Garuda is the vehicle of Lord Vishnu, God of preservation among the Hindu Trinity. (மும்மூர்த்தி) The Book very well represents the incessant flow of knowledge and wisdom. Saraswathi, the God of learning is always holding the book in Her hand as ornament to denote there is no limit to learning. Lotus is a divine flower considered to be the abode of God Lakshmi. Lotus is also our National flower and it represents bakthi. The sacred sun and the wavy water represent wisdom and action respectively. The crest also contains all the principal elements namely Prithvi (Earth) Apay (water) Thej (Agni) Vayu (Air) and Akash (Ether).

The College motto “நன்றின்பால் உய்ப்பது அறிவு” is taken from the sacred Thirukural of Deivapulavar Thiruvalluvar which means "True knowledge controls thought and conduct and helps one keep to the right path". This must be our everlasting aim.
