4.3.1 Institution frequently updates its IT facilities including WIFI

DR. R.K.S. College of Arts and Science upgrades its IT infrastructure regularly to meet the latest technical requirements. Computers are available for the students at reasonable ratio in computer Laboratories with ICT @ WIFI facilities. The class rooms and staff rooms are either provided with LAN or WIFI facility to enhance the teaching – learning process. College also has an internet browsing centres for the faculty members.

Dr. R.K.S. College of Arts and Science plans towards the usage of Information and Communication Technology at all levels of interactions with the stakeholders of the College. The finance and accounts of the College are maintained with the help of staff who are trained in the accounting software 'Tally' with latest version. The operations of the administration and finances are completely computerized thus facilitating timely reporting and efficient resource allocation.

A Library Management Software was installed at the Library to keep track of the books and journals. The attendance marking system for students has been computerized which provide the attendance of each student on a day-to-day basis. Therefore, it helps by procuring and storing enormous volume of data and facilitates processes in areas of Planning and Development, administration, Finance and Aaccounts, Student admission and the examinations in the College.
