

5.4.1 The Alumni Association\chapter has contributed significantly to the development to the Institution through financial and other support services during last five years.

DR. R.K.S. College of Arts & Science Alumni Association works to promote the bond of brotherhood among the alumni and to help the Institution.

Supportive services:

- Helps in creating opportunities for the students.
- Provides valuable feedback.
- Promotes sharing of experiences and knowledge among the various stakeholders.
- Strives to create national and global platforms for the students
- Helps in student placement and student exchange.
- Organizes social, educational and networking events locally at the Institution/Institute levels.
- Undertakes activities contributing to improvement of infrastructure and academic activities in the Institution.
- Conducts periodical meetings for fulfilling the various objectives of alumni association.
- Raise funds for promoting objectives of the association.
- Conducts various activities that help in the career and competitive examination guidance to the students.

Financial Contribution:

The Association has contributed significantly to the development of Institution through financial assistance.

- **Financial:** Financial contributions for seminars, conferences, first aid kits, cash awards etc.
- **Interviews Tips:** Students were benefitted by the placement interviews which were co-ordinate by alumni.
- **Fees payment:** A few students are benefited with tuition fees, Transportation fees, Exam fees and Hostel fees as alumni Scholarship.
