

### **3.4.1 Extension Activities**

The institution encourages the staff and students to involve in the extension programs like NSS, NCC, YRC, RRC, Eco-Club and Swatch Bharat. The college organizes a various extension activity to promote institute -neighborhood community to sensitize the students towards community needs. The students of our college actively participate in social service activities leading to their overall development. The college runs effectively the National Service Scheme and National Cadet Corps units. Through these units, the college undertakes various extension activities in the neighborhood community.

NSS organizes a residential seven day camp in nearby adopted village and several activities were carried out by NSS volunteers addressing social issues which includes the cleanliness, tree plantation, water conservation through awareness programs, Road construction, society interaction, group discussion eradication of superstition, environmental awareness, women empowerment, national integrity, blood donation camp, health checkup camp, veterinary guidance, farmer meet awareness about farmer's suicide etc.

Our institution conducts social awareness programs every year regarding about road safety day, issues on drunk and drive, following safety rules, voter awareness and consumer awareness for the mutual development of students and society at large. The world mental health day, world environment health day, cancer awareness program, world heart day and world population day were also celebrated to create awareness among the students about various health issues and methods of prevention.

International yoga day was celebrated by the NCC cadets to give awareness on importance of yoga to the students and their family. To protect green environment many other programs as green plantation, disposal of plastic and conducts anti-tobacco rally. Other than NSS NCC units, the various departments of the college are conscious about its responsibilities for shaping students into responsible citizens of the country by making students aware of social issues through various programs like environmental awareness Personal Health and Hygiene, Diet awareness, Soil and Water testing, Plastic eradication.

All these mentioned activities have positive impact on the students and it develops students' community relationship, leadership skill and self-confidence of students. It also helped in cultivating hidden personality of students and creates awareness among the students.
