

4.1.1-Physical Facilities

The Lush Green Campus:

Our institution is spotted with beautiful green surrounding of woods and garden as well as good infrastructure. In our institution, we have well equipped classrooms with smart class, staff rooms, computer labs, seminar hall and staff browsing room. There is an open auditorium and store rooms.

Centre of Excellence in Sports:

State-of-the-art facilities are available in the college for conducting various outdoor as well as indoor sports events like cricket, football, volley ball, throw ball, kabadi, kho-kho, ball badminton, carom, chess.

Basic Amenities:

The fundamental amenities of our institution include college premises like student and staff separate parking zones, water purifiers for drinking, first-aid boxes, solar energy generation, CCTV cameras, fire extinguishers and separate washrooms for boys and girls and also separate washrooms for staff members.

ICT Environment:

The office was fully equipped with Wi-fi and high-speed internet. Our library is fully digitalized along with the special software for the visually challenged students for enabling them to read the books. All the departments maintain separate mini library within the department to motivate the students as well as staff members towards reading.

College Auditorium:

Our institution has two auditorium - one is open-air-auditorium and another one is equipped with A/C. Our college motivates and encourages the students to participate in the events conducted by the Fine arts. We also offer our auditorium to conduct the free coaching classes for TNPSC exams and also for the programmes which is being conducted by the Government for the social welfare schemes. Our college laboratory is well equipped with

multiple sets of apparatus which enables the students to focus towards research. Our college also has well sophisticated language laboratory to encourage the students to participate in language learning activities.

College Cafeteria:

Our college has a cafeteria which provides delicious and hygenic food for the students, and it is frequently inspected by the staff members. Beyond regular teaching our infrastructure is utilised to carry out research projects, certificate courses, co-curricular activities and placement training programmes.
