

6.5.2 The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

The IQAC regularly takes steps to improve the quality of teaching learning process, structures and methodologies at periodic intervals.

- The Academic Calendar is regularly prepared with necessary information like academic & non-academic activities, important celebrations, unit examinations, university model examinations, tentative date of the commencement of the semester examinations, etc., The calendar would be issued to students & staffs and uploaded in the institution website for the public notice.
- Edutainment events like motivation programmes, movies, cultural programmes, quiz competitions, essay writing, etc., will be conducted to the first year students in the beginning of the academic year.
- The Bridge Course in English would be offered to all first year students (as they are from rural and first generation graduate) to overcome the fear of English learning with well designed syllabus.
- The work load and time table would be received from the Heads of the Departments, would be scrutinized and then shared with the Students in the beginning of every semester.
- The slow learners and fast learners would be identified at the initial period and give additional / extra care based on the requirements.
- All necessary informations are shared through circular to all HODs, Faculty Members, Non-teaching Members and Students.
- HODs' meeting, All staff meetings and Representative meetings would be conducted periodically to analyse the progress of teaching-learning process.
- Feedback from staff and students are collected in both odd semester and even semester and it would be taken into account for the analysis and to take necessary steps.
- The analysed feedback data would be updated with the College Academic Council, Governing Council and the Management Council.
