Report on Placement Drive

Introduction

Placement drives are extremely crucial, and so is the preparation for the same. Working on your resume, interview skills, as well as the assessment tests; you need to be well prepared will all these. Placement drives are golden opportunities that every college student eagerly awaits.

Colleges announce a particular period, mostly during the final year of graduation, for companies to visit for college hiring. These placement drives are often conducted over a long period including three important phases – pre campus placement, placement drive, and post-campus placement.

Functions of Placement Cell

- Preparing the students to face the interviews in and outside of the campus
- Making the students competent by giving them extra coaching such as attending the quiz competitions conducted as inter quiz competitions by the departments
- Instructing the students to prepare CV and preparing for the Interview
- Informing the results and follow up

Mega Job Fairs Organised

- A mega job fair was organized during 2022 and 153 employers conducted interview in which 3,688 candidates attended, out of them 702 candidates got selected, which was jointly conducted by DEO, Kallakurichi alongwith Dr. RKS College of Arts and Science.
- Another drive was organized by us with Annamalai University and in which 20 employers conducted interviews during 2022. In the interview, 800 candidates from affiliated colleges and 150 candidates from our institution got selected.

- Naan Mudhalvan of Annamalai University joined with us and conducted on campus recruitment during the year 2023, in which 22 employers conducted the interviews and 810 candidates got selected.
