24-Hour Medical Support and First Aid Facilities

Dr. R.K. Shanmugam College of Arts and Science is committed to ensuring the health, safety, and well-being of its students, faculty members, and staff. The institution provides 24-hour medical support to address medical emergencies on campus.

The institution is managed by a medical professional team (doctors), which strengthens its commitment to healthcare and student welfare. The following facilities are available:

1. 24-Hour Medical Support: Medical assistance is facilitated round the clock whenever students or staff requires medical attention.
2. Emergency Transportation: College transportation facilities are made available to take students or staff to nearby hospitals during medical emergencies.
3. First Aid Facilities: First aid kits and basic medical assistance are available on campus to handle minor injuries and immediate medical needs.
4. Medical Guidance: The institution benefits from the guidance and support of its management, which includes doctors, to promote health awareness and medical welfare.
5. Emergency Response: Necessary arrangements are made to provide timely medical assistance and ensure the safety of students and staff.
